RE: Freedom of Information Act Request

The LCP Chemical Superfund Site (EPA Facility ID: GAD09903182) (the “Site”)

To Whom it May Concern:

In accordance with the Freedom of Information Act, 5 U.S.C. § 552, I am writing to request information in the possession or control of Region 4 of the United States Environmental Protection Agency (“Region 4 EPA”) which concerns The LCP Chemical Superfund Site (EPA Facility ID: GAD09903182). Specifically, I am requesting the following:

1. Any documents related to soil, groundwater, or surface water conditions at Operable Unit 1, Operable Unit 2, or Operable Unit 3 at the Site, including but not limited to all Administrative Record documents;
2. Soil, groundwater, surface water, sediment, biota, or soil vapor sampling results from the Site and surrounding properties including but not limited to any data in the DART System. We are seeking the complete environmental database from DART, including sampling metadata fields, including but not limited to sampling date, depth, sampler, lab, method.

I agree to pay fees for this request up to a maximum of \$500.00. If you estimate that fees will exceed this limit, please contact me first. If possible, I would like to receive this information in electronic format.

I can be contacted at 404-347-9050 during the hours of 9 to 6 ET, if necessary, to discuss any aspect of this request. Thank you for consideration of this request.

Sincerely,

Marjorie Snook
